VOLUME 47
BROADALBIN CENTRAL SCHOOL

DEDICATION

We, the yearbook staff, found it difficult in choosing the one person to whom our yearbook will be dedicated. We feel this special person should be one who has shown us the importance of striving to success. We believe that this individual should have displayed, in the past, outstanding efforts from which the students of Broadalbin Central School have benefited.

The person we have chosen has earned our respect and admiration. Through her leadership, she has helped to better our class, not only as a whole, but also on an individual basis. She encouraged us to reach out and obtain our hopes, dreams, and goals.

We, the staff and the Class of 1981, wish to thank and dedicate this yearbook to Mrs. Patricia Haight.

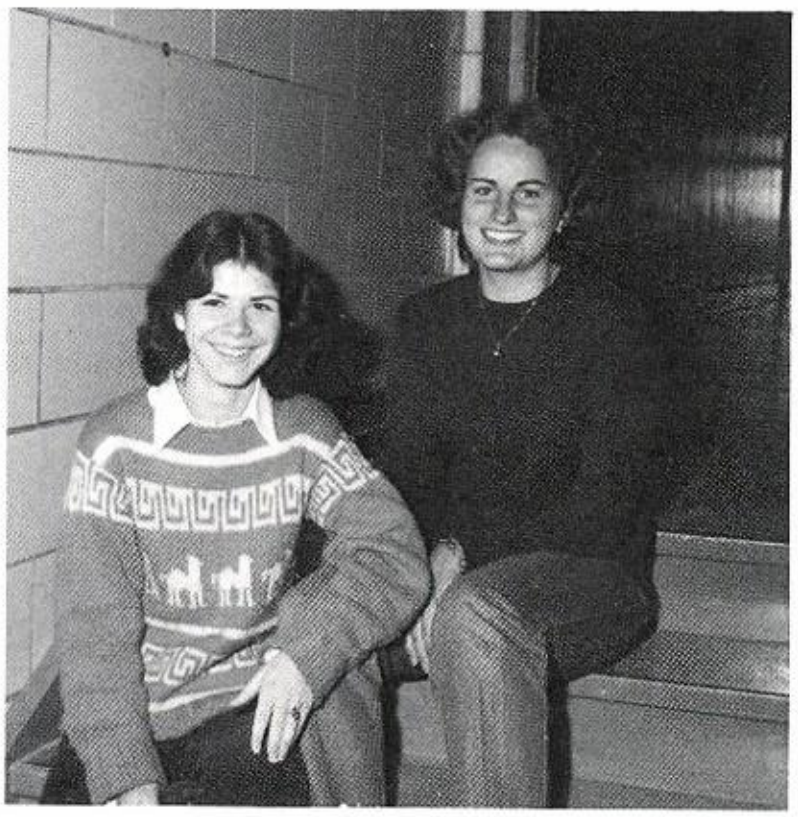
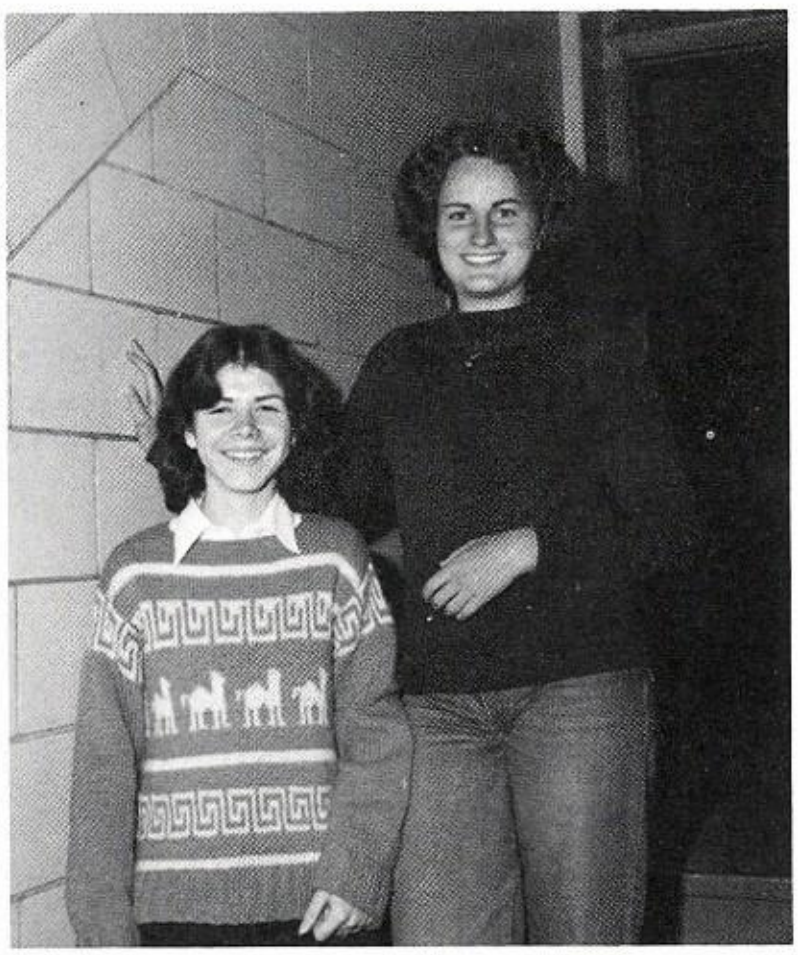
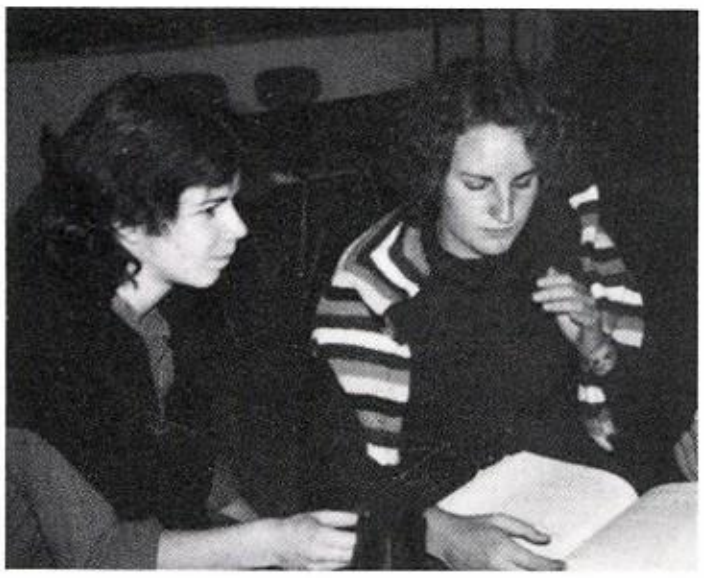
EXCHANGE STUDENTS

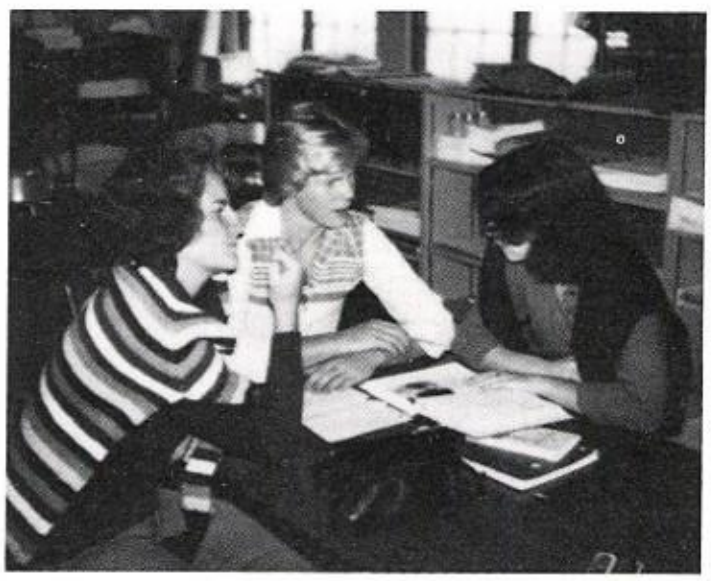


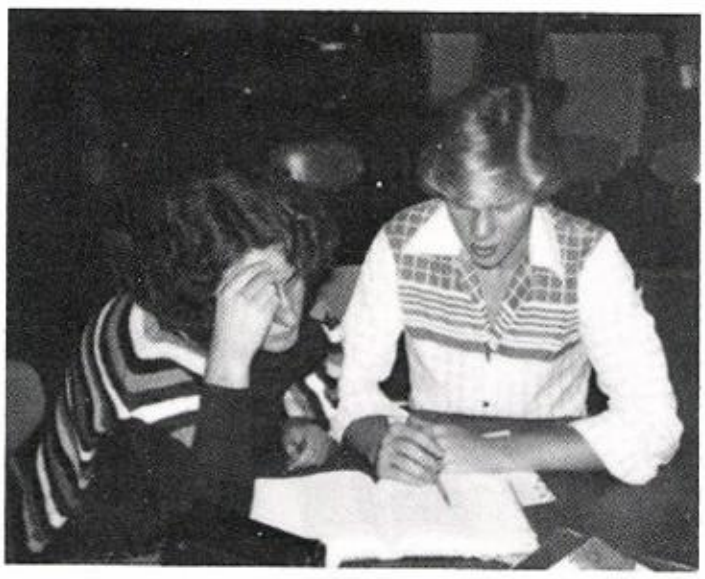
GESINE BERGER AND CARINA STENMARK

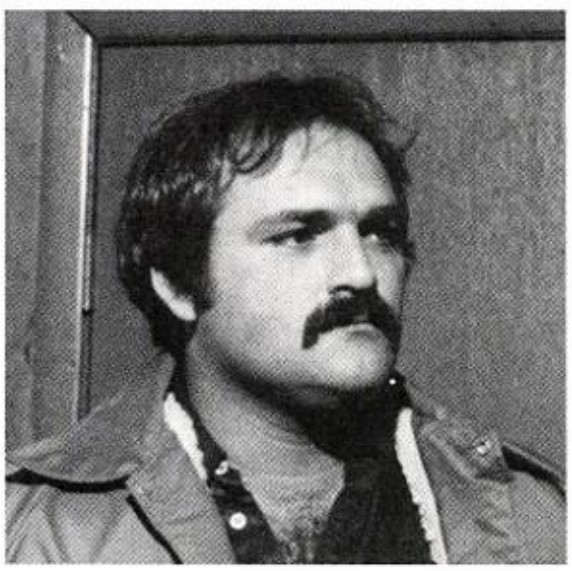


Gesine and Carina, you shared with us your customs of Germany and Sweden, as we have shared with you our customs of America. You have become actively involved in our student body and have come to know its students. Having learned how life exists in a small part of this country, we hope you return to your respective countries with many fond memories of your year at Broadalbin. We hope your stay here has been as enjoyable and as profitable for you as it has been for us. We, the class of 1981, have enjoyed sharing this past year with you and will remember both of you affectionately.









SPECIAL THANKS

During this past year, their have been several people who have helped us with the yearbook. We would like to mention and thank these people now.

First, we would like to thank Mr. Frisina for all his time and understanding throughout the year. He has been very helpful and patient with the staff.

We want to extend our appreciation to Mr. Gaffney and Mrs. Pickering. They allowed us to use the Guidance Office whenever we needed a place to work. Without their kindness, we may never have been able to create this book.

Next, we would like to thank Mr. Cerrone and Mr. Cotugno for their moral support. While working on the yearbook, there were many times we became frustrated and confused. They guided and supported us through many of these times.

Mr. Jackson also deserves our thanks. Quite often, one or more members of the yearbook staff would interput his classes to use the typewriters. We appreciated this very much.

And last, we thank the yearbook layout and sales staffs. They contributed a great deal of time and energy in helping to produce this yearbook.

Of course, we can't thank all of the people who helped to make this yearbook a success. We have neither the time nor the space. But we feel these people who we mentioned have played a major role in this edition of the yearbook. We hope the support we have found this year continues in the years to come.

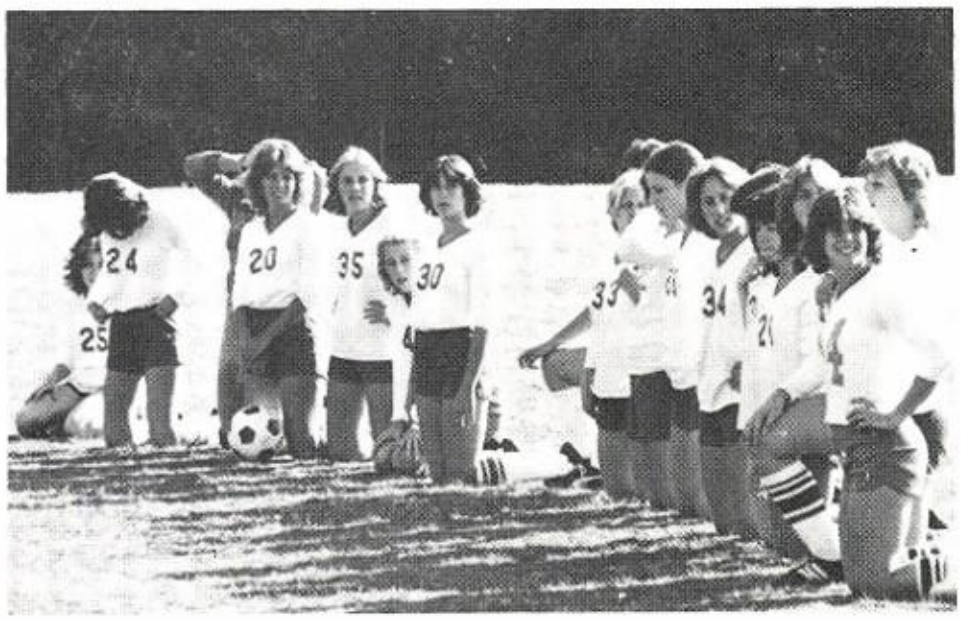
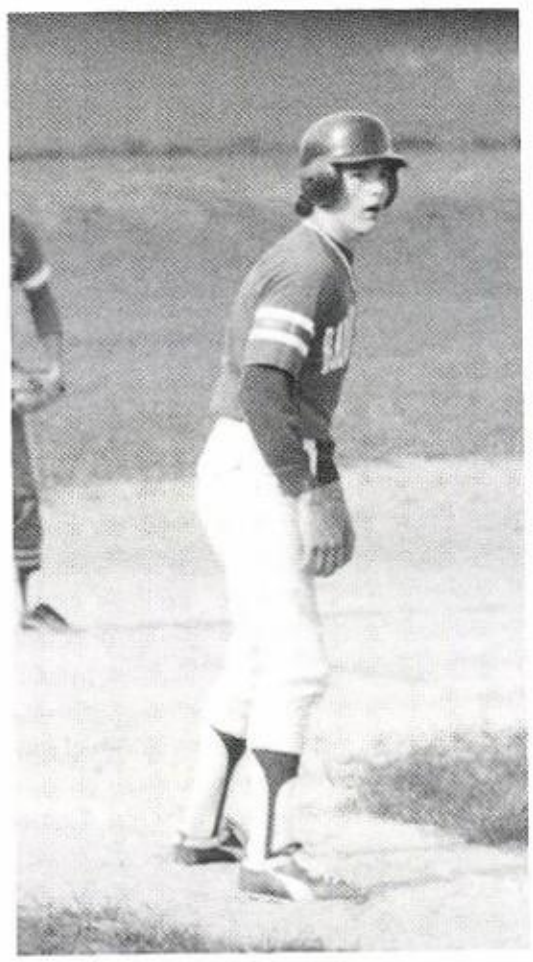
Well, does anyone have a better idea??

Jill, where's the ball?

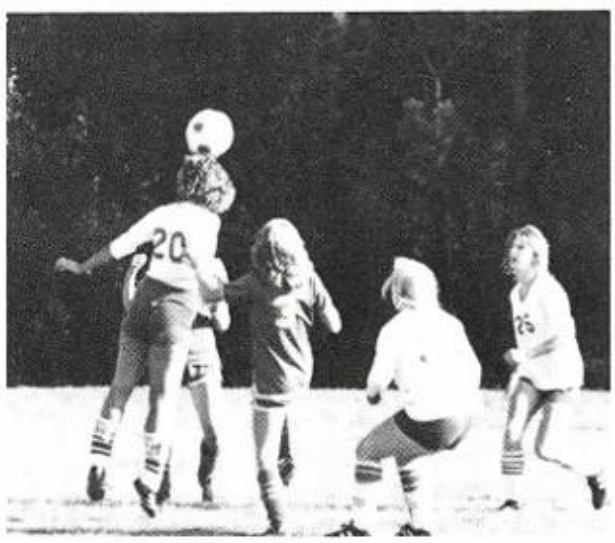


A prayer? It's worth a try.



What do you mean I ran the wrong way?

The worried look of a coach.



Miss Manuele, I finally used my head!

Sorry, you have the wrong number!
